Compassion Value: Focus on Customers

Description

- Identify and Exceed Customer Expectations
- Improve the Customer Experience

As individuals and as an organization, we take an active interest in the lives of others. We consistently strive to walk in the shoes of those we serve, and of one another. We actively listen to fully understand and genuinely empathize with other perspectives. Our compassionate focus on customers shows that we understand and identify with their needs.

Relationship Value: Act as a Team Player

Description

- Collaborate with Others
- Demonstrate Diversity Awareness
- Learn and Develop

Our mission requires trust throughout our global enterprise. We build that trust through collaboration when making decisions, taking action and finding solutions. We approach all people with respect, humility, confidence and energy. Because we depend on one another, we actively engage with each other to share information and ideas. We authentically confront issues and constructively resolve differences. We recognize that diversity and respect bring us together and make us more effective as individuals and team members.

Relationship Value: Communicate Effectively

Description

- Speak and Write Clearly
- Listen Actively
- Influence Others

Because we work in highly diverse, complex, multi-functional teams, we're at our best when we build relationships in ways that create trust. As we engage with one another to build and maintain productive relationships, we need to continually share information, ideas and resources within and across teams. Regardless of the pace, intensity or urgency we may encounter in specific situations, we always communicate with respect and humility as well as confidence and energy. We confront issues, not people.

Values Based Competencies (if applicable)

Description

- Work Effectively in a Changing Environment
- Contribute Innovative Ideas

Our success within a dynamic and fast-paced marketplace depends on our ability to invent the future as we learn from the past. It requires an innovative mind-set that involves respectfully challenging the way things are done as well as having the curiosity and courage to develop new ideas. We are curious and not afraid to fail in honest efforts to focus on practical and purposeful innovation that builds value. We recognize the impact that innovation has beyond our products or services, and how it can enhance the way we conduct business. It helps create positive, practical change to best serve our mission of helping people lead healthier lives.
