AWARD MESSAGE

Congratulations on your fifth anniversary with UnitedHealth Group. I hope you enjoy the work we do together and find our mission inspiring and motivating. Health care is highly complex and constantly changing and we like to think of our enterprise as being correspondingly diverse, distinctive and adaptable. I hope you always find new things to learn, fresh opportunities to explore and innovative approaches to the challenges we face in serving more people, with high quality health care, more affordably, one person at a time.

What doesn't change is our commitment to the values and behaviors that form our culture – integrity, compassion, innovation, relationships and performance. Thank you for five years of service to our mission and for living our values. We all look forward to working with you for many years to come as you build your career with our company.
