USE OF A REPRESENTATIVE

You do not need to hire an immigration representative, it is your choice. No one can guarantee the approval of your application. All the forms and information that you need to apply are available free at www.cic.gc.ca.

A representative is someone who has provided advice or guidance to you prior to submitting your application, following the submission of your application, and/ or someone who has your permission to conduct business on your behalf with Citizenship and Immigration Canada (CIC) and the Canada Border Services Agency (CBSA). You may have **one** representative only. If you appoint an additional representative, the previous representative will no longer be authorized to conduct business on your behalf and receive information on your case file.
